# My Leviton App Guide

Download the app for your iOS or Android Device, create your account, and start creating a smart home using this guide.
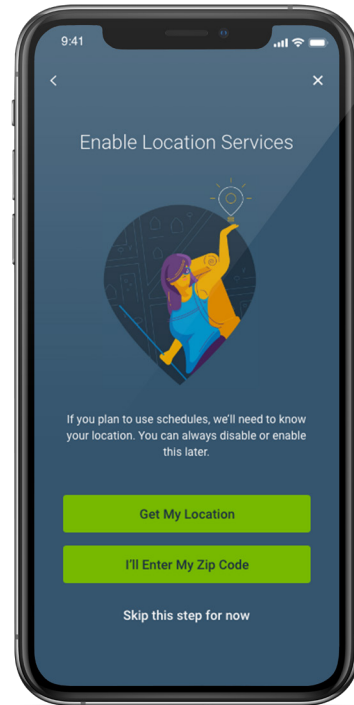

## Create a Residence – Name

**1**

### Create Your Residence

Next, we'll set up your residence, so we can start setting up devices, rooms, schedules & activities. What should we call your home?

Robinson Residence

**Continue**

## Create a Residence – Enable Location

**2**

### Enable Location Services

If you plan to use schedules, we'll need to know your location. You can always disable or enable this later.

**Get My Location**

**I'll Enter My Zip Code**

Skip this step for now
