## Relay Panels

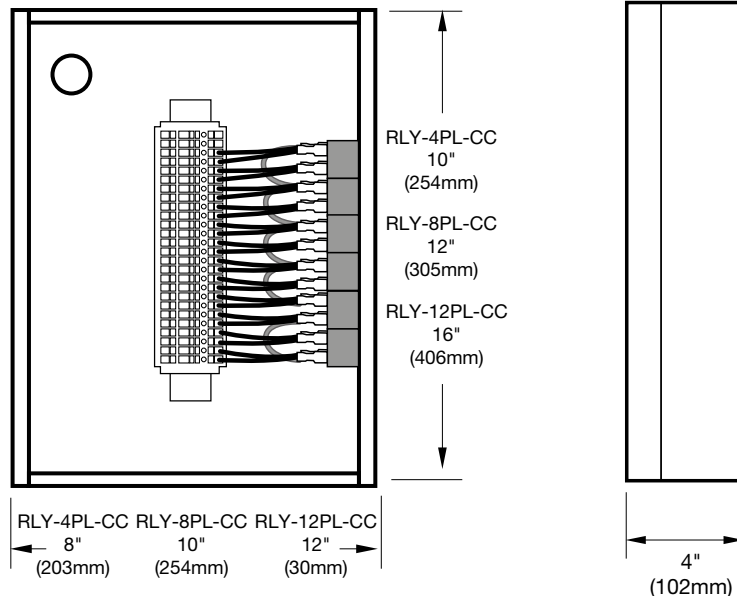

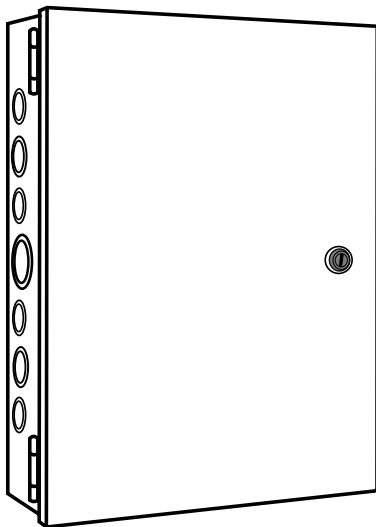

**MODELS:**

**RLY-4PL-CC, RLY-8PL-CC, RLY-12PL-CC**

### FEATURES & BENEFITS

- NEMA 1 indoor enclosure
- Ultra silent power switching panels
- Terminals labeled for easy wiring
- cULus Listed
- Also suitable for slab heating and roof deicing applications
- Relays are rated for up to 30 amps
- Front door easy lock clasp operates with a coin or large screwdriver.

### DESCRIPTION

These virtually silent load switching panels are ideally suited for snow melting cables and mats. The power relays are rated for up to 30 amps. The relays are housed in NEMA 1 indoor enclosures, and are equipped with clearly labeled terminals for ease of wiring. All components are UL Recognized. The panels are for 120, 208, 240 or 277 VAC cables.

In slab heating installations, the panels can be activated by 120 VAC switched from a WarmlyYours floor warming thermostat. In snow melting installations, the panels can be activated by 120 VAC switched from a WarmlyYours snow melting controller.

## SPECIFICATIONS

**Model . . . . . RLY-4PL-CC**

Enclosure. . . . . NEMA 1  
Dimensions . . . . . 10" x 8" x 4" (254mm x 203mm x 102mm)  
Contains . . . . . 2 relays for a total of 4 poles  
Controls . . . . . 4 circuits at 120 VAC or 277 VAC or 2 circuits at 208 VAC or 240 VAC

**Model . . . . . RLY-8PL-CC**

Enclosure. . . . . NEMA 1  
Dimensions . . . . . 12" x 10" x 4" (305mm x 254mm x 102mm)  
Contains . . . . . 4 relays for a total of 8 poles  
Controls . . . . . 8 circuits at 120 VAC or 277 VAC or 4 circuits at 208 VAC or 240 VAC

**Model . . . . . RLY-12PL-CC**

Enclosure. . . . . NEMA 1  
Dimensions . . . . . 16" x 12" x 4" (406mm x 305mm x 102mm)  
Contains . . . . . 6 relays for a total of 12 poles  
Controls . . . . . 12 circuits at 120 VAC or 277 VAC or 6 circuits at 208 VAC or 240 VAC

**NOTE: Relays do NOT contain circuit breaker or GFEP protection devices.**

## ORDERING INFORMATION

ORDER NUMBER	DESCRIPTION
RLY-4PL-CC	Small Relay Panel, 4 Pole, 120V Coils
RLY-8PL-CC	Medium Relay Panel, 8 Pole, 120V Coils
RLY-12PL-CC	Large Relay Panel, 12 Pole, 120V Coils
